

LEICESTERSHIRE POLICE AUTHORITY

PAPER MARKED

Meeting **POLICE AUTHORITY**

Date **TUESDAY 13TH OCTOBER 2009 – 10.00AM**

Report of **CHIEF SUPERINTENDENT ROB NIXON
HEAD OF FORCE COMMUNITY SAFETY**

Subject **POLICING ISSUES ARISING FROM THE DEATHS OF FIONA
PILKINGTON AND FRANCECCA HARDWICK**

1. Introduction

- 1.1 The purpose of this report is to enable a greater interpretation of appendix F to members.

2. Data Considerations

- 2.1 It is important to highlight that antisocial behaviour as reported to the Police has been recorded in several ways between 1997 – 2007, due to the introduction of national recording practices. Incidents recorded on our control and command system are only accessible for a period of seven years.

3. Data Presentation

- 3.1 In an attempt to understand the volume and frequency of ASB and place it into context, data was extracted for the time described and presented on a month by month basis at Force, LPU (Hinckley) and Barwell & Earl Shilton Neighbourhood. These are charted along with indicators of the numbers of events (ASB incidents or crimes) called in by or on behalf of Fiona Pilkington.
- 3.2 The graph is illustrated in a logarithmic scale which effectively shows the factors of ten increases from one section to the next. The scale is not linear, hence the additional annotations showing the numbers of events recorded for each month. To aid this interpretation, please the table overleaf that shows the number of recorded ASB calls each month, compared to the contact events made by or on behalf of Fiona Pilkington.
