

LEICESTERSHIRE POLICE AUTHORITY

REPORT TO THE COMMUNITY 2008/09

PAUL BROWN

Since joining the Leicestershire Police Authority in October 2008 I have attended a number of discussion days, full Authority Meetings as well as induction meetings with senior officers and the Authority's Chief Executive. Additionally I have attended meetings on Professional Standards, Human Resources, Awards, Diversity and the Force Benevolent Fund. I have also represented the Authority on the Criminal Justice Project Group attending two meetings with a planned visit to the new custody suite in the near future. I am also due to meet the LPU commander for the City this week and have a planned shadowing evening on the 8th May

I have also met with representatives of the Magistrates Court to discuss Community Justice and have agreed to work with Authority colleagues to look into the Benevolent Fund becoming a registered Charity. Finally I have agreed dates to carry out a consultation exercise in the city centre along side force community officers.
