Report to the East Midlands Police Authorities Joint Committee

Paper Marked : H

Meeting Date: 22 February 2010

Report Title: GOVERNANCE OF THE EMCTIU

PURPOSE OF THE REPORT.

1. To provide members with an update on how the governance of the CTIU is currently being undertaken.

INFORMATION AND ANALYSIS.

2. Derbyshire Police Authority is the lead police authority for the CTIU and as such undertakes the governance and oversight of the unit on behalf of the EMPAJC.

3. The Authority achieves this through its Strategic Policing Committee and through the activities of its lead CTIU member, Mrs G Goucher MBE. The Strategic Policing Committee receives a report from the CTIU as a standing item at each of its meetings; the Strategic Policing Committee meets four times a year. In addition the lead member attends the CTIU Management Board meeting, accompanied by Mr SC Bate, the Chief Executive of Derbyshire Police Authority. Copies of all reports provided by the CTIU to the Derbyshire Police Authority are available for Joint Committee members if required.

4. The EMCTIU were inspected by HMIC from 26 – 28 January 2010. The inspection was focused on value for money with a specific aim as follows: 'The extent to which investment in the CT network and the strategic approach to counter terrorist policing is providing value for money now and the likelihood of doing so in the future'. The inspection involved both Mrs J Birkin and Mrs G Goucher MBE being interviewed and the feedback received by the Head of the CTIU has been very complimentary with the EMCTIU being identified as a model for others to follow.
